

# Mitchell Zilberg

Web and multimedia developer who excels in a team environment and under the pressure of strict deadlines. A former broadcast media and multimedia specialist who plans to incorporate my project-based work experience into the tech industry.

## Education

**CareerFoundry**, Online — *Full-Stack Web Development*  
October 2020 - PRESENT

**Algonquin College**, Ottawa, ON — *Television-Broadcasting*  
April 2020

**John Abbott College**, Montreal, QC — *Media Arts & Literature*  
December 2017

## Projects

**Pokedex:** Front-end Javascript application  
Communicates with an external API to display a list of pokemon.

**MyFlix App:** Full-stack React & Node application  
Displays a list of movies, allows users to register and personalize their own list of favourite movies by communicating with a DIY API.

**Chat App:** React Native mobile application  
Lets users enter a chat room to communicate with their friends.

## Work Experience

**Senior Photographer-** Lifetouch Canada, ON & QC  
October 2020 - Present  
Set up and wrap equipment, photograph up to 200 kids per day. Train and supervise new photographers.

**Supervisor, Show Producer, Box Office, & Bartender-** Absolute Comedy, Ottawa, ON  
March 2017 - January 2020

Hired, trained, made weekly schedules for, and supervised doormen. Booked reservations over the phone (Microsoft Excel), handled complaints, and checked-in customers while working the box office.

**Grip & Camera Operator-** MATV, Gatineau, QC  
June 2019 - January 2020

Set up, wrapped, and operated industry standard television camera & audio equipment.

**Director, Shooter, & Editor-** TVC Basse-Lievre, Gatineau, QC  
June 2019 - September 2019

Directed, shot, and edited a four-part series on community events that took place during the summer of 2019 in the Basse-Lievre region.

Ottawa, Ontario  
(613) 618-2496
